“ My heart hurts for the Louis family and their friends, he was such a kind soul. I had the pleasure of working at Raymond with Ed for over 10 years in his different roles. I always enjoyed traveling with him, we shared lots of great stories filled with laughs and he loved to talk about his kids. I learned a lot from Ed and feel blessed to have made friends with him, wish I could have been in Chicago for his service. Gonna miss ya buddy, God Bless.
