Funeral Expenses for Edwin Walsh and Family

A few words from Jordyn

Hello, my name is Jordyn Sobanski the granddaughter of Edwin C Walsh. I'm

creating this go fund me to help provide my grandmother with expenses for the funeral and to help support her in the weeks following due to the sudden unexpected passing of my grandfather.

To our dear friends and family,

On March 25 we lost our beloved grandfather. This was sudden and unexpected, and as such we were unprepared for the expenses following his passing.

He was beloved to us, as he was to anyone who had the joy of meeting him. He enjoyed spending time with his family, playing guitar, taking his kitten Milo on walks, ballroom dancing, watching SciFi and Marvel movies, and going to Indy every year with his longtime friends.

Grandpa Ed's obituary can be found here <https://www.severinofd.com/obituaries/Edwin-Walsh/> The funeral service will be held in the late spring, with more information to follow.

Please consider donating if you are able to do so. We are so very grateful for every donation during this difficult time.

With love,

Jordyn Sobanski and family

“ I have known Ed since the early 80's. I feel bad that I haven't kept in good touch in recent years, but for my part, I will always consider Ed to be a great friend. I have so many wonderful memories, from partying at International Village way back in the day, to playing music together for many years. Ed was always alive and engaged and lived life to the fullest. He will be missed and my thoughts and prayers will be with his family and his loved ones.

“ Edwin sure had a wonderful life. He always said "every day is a new adventure". He had a great group of friends and her cherished all of your friendships. I will miss him every minute of every day. Thank you to everyone for your kind words and memories.

“ I met Ed in Arlington Heights in 1997 after I moved in next door to him. We soon discovered that we had a common interest in music (as well as the same birthday!), and I spent many a Friday or Saturday night at Ed's place playing music with him and several other musicians that he was friends with. Ed was one of the friendliest people I've ever known. He was also generous and had a good sense of humor. He was the only friend of mine who came in from out of town to attend my bachelor party in Atlanta in 2002. It's hard to believe that Ed has left us, and I will certainly miss him.

“ Edwin Walsh was my Brother In Law my fondest Memories were of Racing. Especially the Indy 500 for the past 20 years. Thanks Ed for introducing me to the coolest people in the yard and I'll never forget the first time you got me to watch the race from the infield. So many awesome experiences....too many to list. Gone way to soon! Rest in Paradise my Friend

“ I'll never forget the day I met Ed in the early 70's. We just happened to ride up next to each other on our motorcycles heading for the Cape Coral bridge. We blipped our throttles signalling to each other that a little street racing was in order. Ed was riding a hot rod Honda CB750 and I was on a Kawasaki H2 750. We both surprised each other with how fast the other's bikes were. I normally would have walked away from a CB750, but not this time. It was the beginning of a great friendship. While on a break from college Ed and I took a week to explore Georgia on our motorcycles. We carried bedrolls and slept wherever it was convenient. We traveled around Florida together on our bikes and had a lot of great times. Peace be with you Ed. I will always remember the camaraderie and experiences we shared.

“ *I met Ed in the late 70s. He was the cousin of Les Brodhurst whom I was working with on a job site at the time. A while later Ed moved to the Chicago suburbs. We continue the friendship and over the years shared an interest in music, specifically guitar. Ed would invite me over to his house usually on Friday or Saturday night and we would play music with some other friends of his. Ed was a good guy with a good heart and he will surely be missed.*

“ *Edwin Walsh was a very nice man. I worked with him for over 15 years at the JUF. He and I would solve several programming problems. He was an excellent IT advisor. I am saddened to hear of the family loss. Godspeed to his family*

“ I worked with Edwin at Jewish United Fund. He was a great raconteur and such an interesting guy. I remember stories about his ballroom dance competitions, skydiving, friendships with heavy metal band members, including at Joliet Speedway. I think he named his cats Moe, Larry and Curly. We shared many laughs together. He was very proud of his very smart son. As an IT pro, he came up with some of the most creative solutions I've ever seen. And he was a devoted family man. My sincere condolences. Mike Ostrar
