“ Dearest Michael, John, Donna, Luka and Families,
I was so sad to learn about your dad’s death. He is one of the last of the original Clybourn and Fullerton gang and always felt like “family” to me. I can’t even begin to tell you how many memories I have of him beginning as a young girl when we would go visit “Darinka and Jovan.” Between your dad and P.K., they kept me thoroughly entertained with their stories and I don’t think I ever laughed as much! Your dad was a genuine soul, with a big heart and he always made time to help others. Our families were very close and I feel this loss quite profoundly. Please accept my deepest condolences and love. I am sure P.K. has saved your dad a ringside seat at the best track in town. And your wonderful mom has waited a long time to be reunited with her dear “Lou;” I know they are rejoicing as they continue to watch over all of you. Vjecnaja Pamjat dear +Louie. 🙏
❤️
